

**September 2021
4-H Newsletter**

From your County Extension Agent

This month of September will be my 10th year with Texas A&M AgriLIFE Extension here in the Maverick County Extension Office. It's been a good 10 years of work in coordination with the Maverick County Junior Livestock Show Association, and the Maverick County Commissioners Court. More important is all the help I have received from all the volunteers or parents, and from many citizens of the community. I really appreciate all the support that have benefited our youth and other sectors of the county. I am also announcing that we have a new Family Consumer Health Agent from the Texas A&M Prairie View CO-OP Program, and her name is Blanca V. Ruiz. She is from Eagle Pass and worked with the Eagle Pass ISD for 20 years, and we are welcoming her to the Maverick County Extension Office. The Maverick County Extension Office Secretary is back assisting at the EOC program, and I will be by myself running all the duties of the office that includes some outside work or out of county travel. If you need anything just call me on my cellphone, and I will take care of your request. The registrations on 4-H Connect are now open and you can enroll at any time. If you are a returning 4-H member you must use the same email and the same password. If you are a new 4-H member you need a new email and create a new password to login. You can select any of the 4-H Clubs of your preference plus the Maverick 4-H Council or the Maverick County 4-H Shooting Sports Club if you are planning to be a part on any of those programs. Please do not select pay by club when submitting your payment, you must use a credit/debit card. Also make sure you update your school and grade, and we need a physical address not a PO Box for our records.

Congratulations to the Quemado 4-H Club for their rodeo conducted to obtain funds to offer scholarships to their senior graduates. I know you did very well, and ready for the next one.

The Maverick County Extension Agent attended the 2021 Texas A&M Beef Cattle Short Course in Texas A&M College Station, Texas. It is a great program where many educational programs are delivered plus agricultural, and cattle companies are present offering information about their products.

The Maverick County Extension Office placed a big banner in the front fence of the Maverick County Lake to promote the 4-H program in the community. Hopefully, this next year we will increase our numbers now that the pandemic is almost over.

Congratulations to Fidencio Ruiz for his outstanding work at the 2021 Comfort Prospect Show. Nice goat by the way.
